

Golf Tournament

Dear Friend,

The Memphis Kings is a 501(c)3 non-profit organization that develops at risk youth on and off the court. Currently in Memphis, 39 percent of our children live in poverty and 60.4 percent of Memphis children are headed by single parents. We have had over 1000 children successfully come through our program since 2006. Currently we have 150 children enrolled in our program. One of the many ways we mentor and educate is through our summer basketball program for ages 6 and up. We take the children on summer trips to compete in basketball tournaments as well as higher education ventures while exposing them to different environments. We believe that we can bring each kid hope and aspiration by empowering them to recognize their potential and introduce them to a global world. Our summer venture is costly and we cannot do it alone. It takes approximately \$2500 per child to make this goal a reality and not just a dream. We are very excited to announce this year will be our 1st Annual Golf Tournament to help support our program in helping at risk children. We are asking you to partner with us to help make a difference in our great city. All levels of sponsorship and donations are tax deductible and greatly appreciated. Please view the attached document. We look forward to hearing from you and playing golf with you!

Sincerely,

Sam Davis,
Memphis Kings
